- By-law
- Concessions
- Eagle Wear
- Prom
- Homecoming
- Fundraising
- Other _____

Mission Statement

The Gilpin County Booster Club will be recognized as an organization that:

- Fosters interest in and support of the Arts, Academics, and Athletics at Gilpin County RE1 School District
- Promotes, recognizes, and rewards excellence in the Arts, Academics, and Athletic Programs throughout the Gilpin County RE-1 School.
- To assist in the financial support of the Gilpin County RE-1 School District Arts, Academics, and Athletics outside of the school districts normal budgeting process.

The Gilpin County Booster Club was formed by interested parents of students to provide items that the school budget (athletics, academics, and arts) was unable to provide within the normal budget. Our intent is to assist athletes, students, teachers, and coaches in their pursuit to be the best they can be while raising the educational and athletic expectations in spirit and state standards. Further, we want to honor all Athletes, Academics, and Artists at Gilpin County RE-1 School District by showing our appreciation for their efforts of going beyond the ordinary and soaring far above the ground like an Eagle.
