

**Gilpin County School District RE-1
Enrollment Information**

Student Name _____

Grade _____

Ethnicity/Race

Each year, every school district in Colorado is required to report to the Department of Education student data by race and ethnicity categories that are set by the Federal government.

The Colorado Department of Education does not report individual data to the federal government, but does report the total number of students in various categories. The Federal government recently changed the reporting categories. As a result, we need to update race and ethnicity data in student records. Please complete the following information.
