Home of the Eagles!

November 8, 2020

Dear Gilpin School Community,

An individual in Ms. Sepanik's 4th grade class or in Mrs. Schlager's (Grenader's) 5th grade class has a confirmed positive COVID-19 test. This case has been investigated by Gilpin County Public Health (GCPH). As a result of this public health investigation, students and staff in Ms. Sepanik's 4th grade class and in Mrs. Schlager's (Grenader's) 5th grade class are to stay home from school beginning Monday, November 9, 2020.

- Both classes are affected because the in-person classes were combined in the same classroom on November 3, 4, and 5.
- The contagion period began on November 2, 2020. The 14 calendar day quarantine began on November 2, 2020 and ends on November 15, 2020.
- Ms. Sepanik's and Mrs. Schlager's (Grenader's) students may return to in-person learning on Monday, November 16, 2020.
- Ms. Sepanik's and Mrs. Schlager's (Grenader's) students will participate in 100% remote distance learning from November 9 through November 12, 2020.

There are no other staff or students beyond Sepanik's and Schlager's classes known at this time who have been identified and who will need to quarantine related to this positive case.

All other students and staff are **not** subject to quarantine and may continue to attend in-person learning.

All students and staff should regularly monitor for symptoms and if symptoms consistent with COVID-19 present:

- Contact your family medical provider.
- Notify Connie Oliver in the School Health Office, coliver@gilpin.k12.co.us or 303-582-3444, ex, 4131.
- COVID-19 testing is recommended.
- Notify Connie Oliver with the test result, positive or negative.
- Stay at home and away from the school and avoid other activities around other people.

Questions? Please contact your principal or School Health Aide Connie Oliver, coliver@gilpin.k12.co.us or 303-582-3444, ex, 4131.

Sincerely,

David S. MacKenzie, Ph.D.
Superintendent
